

Neurological Physical Therapy

In the  of Lakeway & Dripping Springs

Dr. Zoe Crawford, PT, DPT, LSVT BIG Certified Clinician and the Body Balance Physical Therapy team offers integrated functional neurological physical therapy.

Specialized care provides one-on-one neurological rehabilitation that reeducates the nervous system to maximize movements essential to staying independent.

Client goals are first priority in establishing a care plan to enhance motor learning and neuroplasticity, for long term changes.

Use of SoloStep Fall Protection systems to ensure safety and confidence for all clients.

Let us help you build a balanced body and a balanced life.
